HUNTER DIVISION

"EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT USEF RULEBOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH."

Hunter sections may be run as back-to-back classes at management's discretion. When classes are run back-to-back, exhibitors may perform both rounds before leaving the ring.

Courses will simulate fences found in the hunting field such as: brush, wall, in and out, oxer, post and rails, gate, panels. All classes will be judged on performance and soundness unless otherwise noted. Horses will not be jogged for soundness unless otherwise noted. Judges will reflect any unsoundness in their scores.

All Hunter Championships Classes: Awarded to the top two of the top four horses/ponies, which have earned the most points in over fences classes. In addition to these points, only these top four horses/ponies will receive full points for ribbons won in the under saddle class. In addition, Half points will be earned in the Regular Conformation Model class and the Green Conformation Model class, and the Small, Medium, Large & Green Pony Model classes.

Jumping Order: Jumping order will be established in accordance with the USEF rules.

In all classes over obstacles, all horses being considered for an award must jog for soundness using either Option A or Option B below. Management must state in the competition prize list which method of jogging will be used. Horses/ponies that are unsound will be eliminated and ineligible for an award in that class. The judge's decision regarding soundness is final.

Option A: Horses/ponies are required to trot a circle on a loose rein at the end of each over fences performance. Horses/ponies may be asked to return to the ring and trot another circle at the judge's discretion.

Option B: Horses/ponies will be jogged together with the rider unmounted in the judge's order of preference. Two additional entries in addition to the number of ribbons must jog if there are sufficient entries. Horses/ponies may be asked to re-jog at the judge's discretion. A horse/pony may not leave the ring until the job has been declared official by the judge, or it will be eliminated. A horse that is unruly, one that breaks away from the handler or one whose actions threaten to endanger the rider, handler, other exhibitors or their entries will be eliminated. (Exception: Hunter Breeding and Pony Breeding). A horse may not be eliminated for receiving outside assistance in the jog. In classes restricted to ponies a junior must jog the pony for soundness.

HU103 - All horses competing in Federation licensed and/or USHJA sanctioned competitions with Hunter, Hunter Breeding, Jumper and Hunter/Jumping Seat Equitation classes not restricted by breed must be properly identified in accordance with GR1101, and must also be registered with USHJA (see GR1101.1). The USEF/USHJA registration number for each horse must be entered on all entry forms for licensed competitions.

Applications for USHJA Registration can be completed online at www.ushja.org or www.usef.org using the USEF Horse Registration application form. This form is also available from the USHJA or Federation office, as a download from the USHJA or Federation website or from competition management. Competition management is responsible for notifying exhibitors of this requirement in their prize list.

In addition to the provisions of HU 101.1, on or after December 1, 2017, all horses competing in classes that require USHJA horse registration must provide a microchip number that verifies their animal's identity in order to compete for points, money won or be eligible for Federation and/or USHJA programs and awards where horses are required to be recorded or registered.

A microchip used to verify identity must be a fifteen digit ISO compliant 11784/11785 chip and be implanted in the nuchal ligament of the animal.
